## Announcements

**Finance Status**

Our Operations Fund had been doing quite well through much of the year but we had a significant deficit in October as shown below:

Oct Income $23,261.38
Oct Expenses $33,131.70
Oct Net -$9,870.32

At the end of October, including the balance from previous months in 2026, our Operation Fund is in the red by $18,080.92. This is about average in comparison with previous years and we usually recover part of that deficit in December. I expect we will still have a small deficit at the end of 2026. Thank you for your continued financial support of our ministry and mission.
Regards, Ron (Lakeview Treasurer)
